U.S. Embassy Athens, Greece

January 14, 2010

The U.S. Embassy would like to draw your attention to the recently updated Country Specific Information sheet for Greece, including the section on Safety and Security. Recent attacks, such as Saturday night's bomb which exploded outside of the Tomb of the Unknown Soldier on Syntagma Square, underscore the importance of exercising security awareness.

Country Specific Information sheets and other resources for Americans living or traveling abroad are available at <http://travel.state.gov/>
